ABOUT ME

I am an enthusiastic, self-motivated and innovative civil engineer looking to pursue my master's degree in civil engineering to enhance my technical skills and make a meaningful impact in the industry. I have a passion for learning and developing new and existing skills, and I enjoy problem-solving using established analytical methods and engineering principles.

WORK EXPERIENCE

Intern Civil engineer(internship program)

Yotek Construction PLC [1 Feb 2024 – 30 May 2024]

City: Mekelle | Country: Ethiopia

- Assist in overseeing construction activities to ensure they align with project specification and safety standards.
- Assist in conducting basic structural analysis and calculations under guidance of senior engineers.
- Help with drafting plans, drawings, and blueprints under the supervision of senior engineers.
- Participate in testing construction materials (e.g., concrete, soil, asphalt) for strength, durability, and other properties.

EDUCATION AND TRAINING

Bachelor of Science in Civil Engineering

Mekelle University [30 Sep 2017 – 5 Nov 2024]

City: Mekelle | Country: Ethiopia | Website: www.mu.edu.et | Final grade: 3.62 | Thesis: Sustainable Urban Drainage System of Mekelle City

Certificate on Basic Civil Engineering software's

Ethiopian Civil Engineering Students Association [30 Sep 2017 – 5 Nov 2024]

City: Mekelle | Country: Ethiopia

Life Skill

Mekelle Career Center (MU-CC) [29 Mar 2024 – 2 Apr 2024]

City: Mekelle | Country: Ethiopia

LANGUAGE SKILLS

Mother tongue(s): Tigrigna

Other language(s):

English

LISTENING C2 READING C2 WRITING C2

Amharic

LISTENING C2 READING C2 WRITING C2

SPOKEN PRODUCTION C2 SPOKEN INTERACTION C2

DIGITAL SKILLS

AutoCAD / Archicad / Eagle Point / ABAQUS / SAFE / ETABS / Microsoft Office / Python

MANAGEMENT AND LEADERSHIP SKILLS

Team Leader

As a group leader during my undergraduate studies, I developed leadership skills by managing team dynamics and resolving conflicts to achieve shared goals. My role as a class representative has further enhanced my advocacy and decision-making abilities as a bridge between students and faculty. Being the first in my family to achieve significant academic milestones has instilled a strong sense of responsibility and resilience. These experiences have equipped me to excel in collaborative, interdisciplinary environments like your program.

GC Committee in Mekelle university

- Representing the interests and concern of the graduate student body to faculty, administration, and other stakeholders.
- Working with Mekelle University Career Center (MU-CC) to give graduate student trainings on Life skill, Employability and work habit, and Digital Literacy.
- Organizing workshops or seminars focused on career development skills, such as resume writing, interview preparation, and networking strategies.
- Conducting social events such as foot ball competition.

Coordinator in Fikre-seb Charitable Organization

- Identifying potential sponsors, developing sponsorship proposals and building relationships.
- Coordinating Events or initiatives where sponsors can engage with the charity.
- Providing regular updates to sponsors about the charity's activities, achievements, and impact.
- Recognition and Appreciation of sponsors.
- Collaboration with other teams.

NETWORKS AND MEMBERSHIPS

[2018 – Current] Mekelle

Ethiopian Civil Engineering Students Association

- Engaged in professional development activities, including workshops and seminars focused on advancements in civil engineering.
- I had to give and take trainings related to civil engineering (e.g., AutoCAD, ETABS, ABAQUS....)

[2018 – Current] Tigray

Development of Association Shire(DAS)

- Organized and facilitated workshops, fundraising activities, or training sessions, summer tutorials to address local challenges and promote sustainable development.

HONOURS AND AWARDS

[May 2018] Mekelle University

Award of Excellence

- In recognition of hard work and Excellent Academic Achievement

VOLUNTEERING

[2018 – Current] Mekelle

Fikre-seb Charitable Organization

- Helping elderly and poor peoples to get a permanent Food.
- providing educational support to children in underserved communities.
